

Live Tax Free for the rest of your life.

Seem too good to be true?

Many of our clients thought so too but have been amazed at how simple it actually is. What's even more extraordinary is that the government came up with the idea. It's just that no one seems to be taking them up on the offer because no one knows about it. So stop that feeling of "rowing and getting nowhere" and find out how you **can live the dream** of a tax free life.

If you are over 55 or are keen to learn more about how you can better prepare for your retirement, then Pollock Accountants invite you to an information seminar to learn how you can have significantly **more money for your retirement**.
